Please tell us about you and your craft.

Write a brief description of your training in crafts and of your product line. Indicate if the work is your own idea or traditional. Add additional sheets of information if you wish. To keep our members informed the names of all newly accepted, juried members will be published in our newsletter. Please tell us about yourself (i.e. birthplace, studies, goals, how you became interested in crafts). This information will help us introduce you to our craft community. A resume and photograph of you and your craft is welcome for our portfolio of members.
