The New Brunswick Crafts Council/ Conseil d'artisanat du Nouveau-Brunswick

is a non-profit organization promoting excellence in crafts, maintaining standards of craftsmanship, and developing markets for fine crafts.

The NBCC/CANB was incorporated in the 1960's, creating a provincial organization to include regional craft guilds. Since that time the NBCC membership has grown to include anyone interested in craft. Our diverse membership includes juried and non-juried craftspeople, gallery and retail owners, businesses, artists, artisans and individuals. Our craft disciplines are clay, glass, fibre, food, leather, metal, photography, textiles, wood and miscellaneous.

OUR MISSION
